

Kevin & Alina Beach

Church planting

Organization FIM (Fellowship International Mission)

Location: Valle Dorado, Nayarit, Mexico (Bay of Banderas)

10 decisions for the Lord since we have started working here.

We began ministering in the town of Valle Dorado 3 years ago. We started out by "hanging out" in the community getting to know people, being of help etc.

A town of 35,000 families and very little outreach.

The Lord led us to start up a Kid's Club that we ran for two years every Saturday afternoon. Of course we got to know many kids...and their parents.

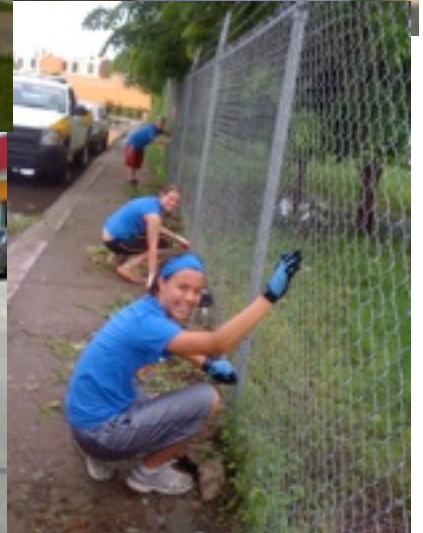

We have held two Vacation Bible Clubs as well which have been a real help to show the community that we have a positive influence on their children.

Our church here is called "**Ministerio de Vida Nueva**" (New Life Ministries) we also do community service when we can and especially when we have lots of help!

There are so many exciting opportunities for ministry here. Current events such as the economy, increased violence in the country, and a persons own inability to make sense of their own future has made for open doors for evangelism.

Taking the Good News of Jesus' forgiveness for mans sin is presented in different ways whether late at night playing music on a street corner, handing out tracks, doing kid's club, VBS, community service or theatrical presentations God's love is being made known in Valle Dorado. Please uplift us in your prayers. That God would build HIS church in Valle Dorado.

**If you would like to be join us in Ministry here, this is how:**

- 1) Come down and help. There is always something exciting to do in a new church plant.
- 2) Pray! Wow this is big. We are reminded every day that we are in a spiritual battle. And each person that comes to the Lord is truely a miracle.
- 3) We have many, many needs. We have needs for microphones guitar stands, A drum set. Guitar cables, strings, pics etc.
- 4) We need extra finances to rent a place in Valle Dorado for the church. This is about \$500-\$600 dollars extra a month.
- 5) And last but not least the Beach family needs to raise their personal support up by \$1000.00. Please pray with us as to how you would like to become involved here.
